Heatmakerz Releasing New Mixtape

World-renowned production team the Heatmakerz is releasing their latest mixtape, *The Rush*, on March 27 through Major Key Entertainment and Koch.

The Rush features all original tracks produced by the Heatmakerz as well as member Rsonist showcasing his mic skills on ten songs.

Rsonist credits the organic process of working in the studio with artists for the outcome of the album. "I just want people to realize that you can make good music without having to cater towards party tracks or street bangers," Rsonist told HipHopGame. "We just want to make good music. What you're hearing is what happens when five artists collectively create music in the studio on a mixtape."
